The Lady:

Young, curvy but slim.

A couple of good tattoos easily covered up in company.

She bright, intelligent and good company, quick witted too.

Ready smile and never a difficult moment.

The Story:

Mollie was ready on time and answered the door looking every bit ready to please.

She quickly had me at ease and took my cock down whole. got a good rhythm going and kept things well lubricated. would have cum but wanted some pussy.

She climbed on top and was very wet going at it like a jack hammer. She certainly enjoys her work and was quite vocal too. Moved around for doggy and the sight of her arse spread quickly had me at orgasm.

Well worth a punt
