The Story:

Parked up and easy to find. Knocked on the door which opened within seconds.

What a vision, Immaculately presented in White Basque, stockings and heels. looked ready to slip a dress on and go out for a posh party.

The first look then smile and touch were almost electric. The sensuous embrace and stroke that encouraged a kiss that became full and open.

Full red lips soon slipped down my hard shaft, over my swollen end, her whole mouth feeling and slipping down, holding and then slowly at first, then speeding up in a very nice rhythmic movement.

Building after a few minutes towards climax. This girl knows how to get you cumming. she swallowed the lot. licked her lips and smiled.

Then her turn. She has the most wonderful clit and juicy pussy. It was wonderful to feel her writhing with orgasm after orgasm from tongue and finger. Next time I'll bring a good bullet too.

Time for a short break, but ever attentive, first a cool drink, then a lovely massage. Lying on my front as she stroked up my legs and finally stoked my balls up to my bum.

licking and nibbling my ass cheeks. Ever so slightly dominant, but felt so good.

My cock was ready for fun and so on with some rubber.

Oh boy his girl is so tight! If she wasn't so damn horny and wet, you wouldn't get a pencil up!

Lively, she wriggles around. expertly she finds the best way to get your cock in and feeling her pussy flexing.

Moaning and squealing, sliding and squeezing we shudder to the most amazing climax together.
