The Premises:

A standard grim looking council block near to Elverson Road, DLR station. The flat was on the 11th floor and it wasn't too bad inside.

The Lady:

A tall, Hungarian girl maybe a dress size 12 or possibly 14 with medium sized natural breasts.

The Story:

The reason for the neutral rating was because it was a bait and switch. The girl I hoped to see was Petite Becky, described as being 5ft 1 inches tall whereas Alicia must have been around 5ft 9 inches. Despite this I went ahead because of Alicia's ample sized breasts. A further disappointment was her lack of any English other than to keep whispering to me to keep my voice down. The session consisted of covered oral which was very average and sex in missionary position.

I may have been unlucky because there was a bloke entering the building just before me. He asked me if it was the main entrance so he was obviously not a resident.
