The Premises:

A 4 star hotel in the outskirts of the town. As you'd expect, it was perfectly fine, easy to find, easy to park etc. Schmoozed past reception without batting an eyelid and made it to the room unfettered.

The Lady:

Gina is fairly tall, striking looking (in a good way) and has a toned, curvaceous figure.

The photos on her website are accurate and recent.

The Story:

This was my first escorting encounter in a while, so I was more nervous than might have been expected.

Gina had been on my radar for quite some time, so I took the plunge when I saw that she was working closer to me than her other main location of Maidstone.

There was no need, as Gina was a consummate escort, taking great care of me, and I of her, for the hour.

I can't think of a negative comment to make about the encounter, and enjoyed the time very much.
