Free drink was offered on arrival by Demi who's a sight for sore eyes.

Clean, fresh, sweet scented aromatic candles. En suite shower with free toiletries & deodorant. All rooms are private so there's no chance of bumping into other clients.

The Lady:

New girl Bailey, where do I start? Beautiful dusky lady with long straight black hair. Check her lips on the website & imagine how gorgeous the rest of her face is, then double it, this girl is hot. As for her body, amazing. Tall, slim and still has the curves to set your pulse racing. If you've a liking for boobs then you're in for a treat. "DD" (at least), firm, soft & super hard nipples to lick and suck on. She's very warm and friendly, no need for nerves.

The Story:

I laid face down on the table full of anticipation and it surpassed what I'd expected. Baileys thigh length boots set the scene for the magic about to happen. She undressed and she started to work her magic. She certainly knows what to do and how to do it.

it didn't take long to send my blood rushing down south! Soft, teasing strokes along my perineum.

She rubbed her oiled boobs all over my body and my face. I couldn't resist putting them in my mouth licking and sucking whilst she stroked and caressed my manhood. I challenged her to keep going whilst I tried to hold out the tide. My mistake, she won and I came all over her boobs!

The experienced passed so quickly, I wish I'd booked for longer. I can't wait 'till next time
