The Story:

I was very pleased by the way Amber gave me a very positive welcome on arrival. Her English is not perfect but easily good enough for us to communicate and enjoy some banter.

On the bed, Amber was happy to have me squeezing and sucking her impressive breasts. Then she gave some oral with using a red condom that luckily I saw as she put on rather than later thinking one of us was bleeding.

Then onto extended 69 in which we were both very active and letting fingers wander a bit. Amber has a lovely, very very neat pussy.

Then we had a very intense session of sex with Amber vocal and very committed.

I had feared Amber might be a little bit aloof, relying on her stunning looks, but she was much more a positive partner concerned that I had a great time.
