The Premises:

Ella stayed in a really nice and posh hotel which is very close to the train station in Reading, quite easy to park. The room was really nice and clean, it even had a jacuzzi like bath!

The Lady:

Ella is a stunning lady and very hot, just like her pictures show. She is very easy to get along with, perfect mixture of brazilian/itaian. Great tongue skills and came highly recommended...no regrets from my side!

The Story:

Ella was great at communicating and we set up a "date" as she called after my work day was over. I came to the location she sent me, she was on time, very discreet and easy to get to her room as she detailed. As soon as she opened the door I felt a hard on coz she is so hot! She greeted me with a great smile, paperwork aside we got on to the business! All I can say is I had a fantastic experience, she has great room skills, she is fun to be with, great personality and great sex! Didn't feel rushed at all and it did feel like a very very hot girlfriend! I am certainly looking forward to meeting her again!
