The Premises:

Small apartment in well known block a few hundred yards from South ken tube. Easy to park in the evening. Long walk from reception who show no interest or concern for visitors. Inside, Valentina's flat is cosy to say the least but has a really good quality double bed and clean bathroom in good condition..

The Lady:

Simple - Charmaine Star, mark two. Google if you need to! Valentina has a perfect body, good boob job, and model quality looks with the most mesmerising eyes. A real star, pardoning the pun.

The Story:

There is a refreshing honesty with Valentina, clearly hasn't been doing this long, and was very nervous initially until we had shared a glass of wine and some strawberries she kindly offered. After an assisted shower, we enjoyed some french kissing that got increasingly deep and passionate, which led to a quick decision to extend from 90 minutes for an extra hour - this was going to be fun!!! She is very much a GFE rather than PSE, and I would be pretty surprised if she actually offers some of the more open-minded services some thai ladies seem to enjoy, but if you want a passionate encounter with a thai pornstar lookalike who is also a genuinely nice person, then look no further. She may not be in the UK for very long so catch her while you can!
