The Premises:

The lady works in a house that is clean and well-kept behind some shops in a good quiet residential area. Discreet with free parking and good bus connections to all parts of North London. A two house flat situated behind a row of shops on a not too busy main road, it has a discreet entrance which I felt safe going into. The house was clean and fit for purpose, with two upstairs bedrooms that can be used.

The Lady:

Anna, who is a French Brunet, that I would say was about 30 if asked to guess her age, greeted me warmly and immediately put me at ease with her relaxed manor. She stands about 5' 6" and was wearing a tight dress cut high with a white linen blouse when I met her. She is very curvy, which I prefer in a woman, and I would say is a size 10 with a bust size of 34. We discussed the prices and services offered, and I plumped for the one hour full personal at £80. Her English is good, and she has a nice smile, and as it happens a nice personality to, which makes for a good GFE if that's what you are after.

The Story:

Anna made me feel at ease from the start, so I was relaxed and not at all edgy as can be the case on many of these encounters for the first time with someone you have not seen before. First up we started with some kissing which to my surprise went into open mouthed tonsil tickling very quickly, then Anna did some nice oral on me, her technique is wonderful licking the tip, and then all the way down the shaft, and finally deep throating me, she is very skillful at this, and I nearly came at this point, and had to ask her to desist. So we then moved into straight sex in mish and then we reversed roles with her on top. At that point I shot my load so we cleaned up and sat and talked a bit, while I recovered. I still had time as my hour was not up, Anna is no clock watcher and was never in a hurry to push me out, and we lay together and had a nice cuddle, more GFE if you like. I then did some more masturbation on her, until I think she had an orgasm, this woman does indeed enjoy her work! Anna must be a very sexy individual. Afterwards I showered off as I like to feel clean and refreshed, and left with a smile and a spring in my step having found a little gem of a woman who gives a great service, and at very reasonable prices. I will be returning soon, as Gentleman, so should you?
