The Premises:

Well known parlour on a very busy street however discreet doorway and protects you from busy street.

Inside room is adequate enough, shower, clean and comfortable.

The Lady:

Victoria is Stunning, very demure sultry looks, I mentioned she looks like a young Eva Longoria. Sexy pert breasts, gorgeous face and a toned fit body.... friendly, responsive and highly accommodating.

The Story:

I arrived earlier than anticipated, and waited in the reception for Victoria to become free, had a lovely chat with Paris "She is stunning and I am very tempted to see her next when she is next in another day", the room became available shortly afterwards and the fab receptionist apologised for the delay because one of the rooms is being furnished.

I went up and already showered before, so got undressed and waited for Victoria, she walked in and greeted me accordingly, exchanged paperwork and got down to business. Started with a creamy massage, which was lovely then moved on to lovely french kissing, oral without and a bit of kinky play which I would not mentioned here as this is between me and Victoria.

All in all a brilliant experience with a very friendly, gorgeous and accommodating lady.

Definitely a credit to this Establishment and certainly a keeper.

I would be back.
