The Premises:

A nice discreet flat in the centre of town, plenty of parking and easy to find.

The Lady:

Veronica looks just as good in the flesh as she does in her photo's. She answered the door wearing sexy but classy underwear and heels, a very nice sight indeed. Veronica is very confident, very polite and well spoken and is very easy to talk to and obviously an intelligent lady. She picked up on my nerves straight away but soon had them settled with a few reassuring words and a nice smile.

The Story:

I had spoken with Veronica before our meet and told her that I'd like to try some very mild dom as I had never before, so we started with my first tie and tease. Well it sure won't be my last that's for sure!! Very sensual and a huge turn on! Veronica really knows how to use her tongue, nails and teeth to great effect! After teasing me for a while which I couldn't see as I was blindfolded she took me in her mouth for the most amazing deepthroat, bringing me close before making me use my tongue on her! After a breather we got down and dirty a few more times in a few positions all which were great and all which involved a good bit of deepthroat before, even a bit of face fucking which again she seemed to love! We chatted a lot in between and I wasn't rushed out at the end of my time. We will definitely be seeing more of each other.
