The Lady:

I knew Pixie would be fit from the photos on the website, but her face is blurred so it was a pleasant surprise to see that not only did she have a body to die for but she is also very very attractive.

The Story:

I've been trying to see Pixie for a couple of years now as she is on my bucket list, however, our schedules never matched added to the fact that Pixie is a very popular girl (understandably so), so when this opportunity arose, I was extremely excited at the prospect of seeing what all the fuss was about.

You know when sometimes your expectations are too high and you end up being disappointed? Well this was the opposite, Pixie is the perfect escort, ticking all my boxes and just oozing sex appeal. I will be making another visit when I can as I'm not sure any other escort would live up to her standard, I cannot recommend Pixie high enough.

We had a chat after the grand finale and Pixie gave me some words of advice for the meeting I was due to attend later that afternoon, this won't mean anything to anyone else but I can confirm that the lady I was due to meet certainly wasn't on the same wavelength as Pixie. There was a slap on the face involved and I was escorted from the building and told not to return!
