The Premises:

The premises were great - clean and modern no complaints.

The Lady:

Carol ticks all the boxes: nice tits, nice body and a pretty face.

The Story:

Carol is a good kisser - she really gets you in the mood. She uses her tongue in kind of circular movements really winding me up. The kissing felt genuinely intimate and I was good to go.

She then delivered some OWO, as promised. After the kissing session, I knew that I was in for a treat and I wasn't disappointed. Those red hot lips around my pole felt very good indeed especially when she glided up and down my shaft with style. When she licked under my helmet I could feel my toes almost curl from the erotic sensation. Not surprisingly I nearly came on a couple of occasions but I managed to calm things down before the shagging.

We then got onto the bed and I she got into the missionary position for some good old fashioned intercourse. Carol took it well and got me fired up with some dirty talk which I have to admit really gets me going. I then had her in the cowgirl position and let me tell you it was really wild. Finally, we tried my favoured doggy position which was nothing short of ecstasy. It was great watching my length sliding in and out of her tight pussy while watching the look of pleasure on that dirty face of hers. It wasn't long before I blew my load.
