### The Premises:

GFE is immaculate, definitely worth a visit, the calibre of girls is always first class.

### The Lady:

When I arrived, having not made a booking, I was introduced to 3 very worthy picks, all I'm sure I'd have enjoyed some quality time with. That said, there was something in the eyes of Angel. They bore into me and that was me hooked.

### The Story:

A shower and then onto the bed and Angel was full of compliments. Put me at ease, setting my expectations (no fingers) and wasting no time in giving me owo. One notable difference with Angel compared to other girls, her hair, was real. None of the nasty hair extensions some girls favour. Having her head and hair bobbing down on my cock, was a significant turn on. I lasted so long before asking for some 69 action. Angel has a couple of piercings and that made tonguing her pussy all the more interesting. She seemed to enjoy my tonguing and particular liked it when I spread her apart, claiming it was "nasty".

From 69 to mish, as she wanted me to "smash" it into her. I was close a couple of times, and finally, with me smashing in to her from behind, held out no longer.

We enjoyed a nice, relaxing chat afterwards and then we said our goodbyes.

A definite recommend and I would hope for a repeat.
