The Story:

was late and the whole experience was a big MEH, arrived late but left 30 mins early

walked in and after donation were made everything was like going through a check list.

god AWFUL covered blow job might as well not even bothered, then moved on to missionary with fake moans that would make anyone roll their eyes and the " oh its too big so I cant" tired line.

after first session raced out of bed, made some cringe inducing "small talk" did not even bother to clean me up and said I will let myself out.

my advice you can do better than wasting your money booking this WG.
