The Story:

This one might be a scam. Best to avoid this one. Contacted her to set up a 1 hour incall GFE. Our messaging on Whatsapp was going well until she said to give her a video cam call to discuss the details so I did. I assumed she meant Whatsapp. She refused the video call. Texted me to say get on the purple site webcam via direct cam a pay as you go cam. Stated that her parents just came home and I can only call or cam. Well, I'm not a cradle robber by no means and was not going to fall for this. I texted her back and respectfully declined. Now a bashing barrage of many short messages started popping up before I could even reply. This appears to be a very young person trying to make some extra money thru pay cam and has no intention of providing any service as advertised. Buyer Beware!
