The Premises:

Nice flat, around 10 min walk from Royal Oak station in a nice neighborhood. It was reasonably clean and with decent bathroom and clean towels.

The Lady:

Narissa is truly a gem. I got really interested when I saw her selfie photos on agency's website. It is usually hard to know how girls look in the reality. She actually looks much better than on those selfies. Says she is getting professional photos soon. She is a cute little thing, with skinny toned body and a firm ass. Beautiful face and easy to converse with.

The Story:

This girl was a positive surprise from the moment I entered. She is such a genuine person. Welcomed me with a smile, offered a drink, and after formalities I quickly jumped under the shower. She looked very attractive in her blue lingerie that soon went off. Bringing me close with great OWO, I then went down on her. She has a fantastic pussy, nice and tight. We then continued in several positions and finished hard from behind. There was lots of cuddles and tongue kissing all along. Great GFE and not a clock watcher. Had a nice chat after, she only has been in a business for a short while, but maybe that's what makes her so special.
