The Premises:

Modern, clean, chain hotel just outside London. Easy to find with ample parking nearby.

The Lady:

Linzi is very attractive with curves in the right places. Her photos are very representative of how she looks in reality. (Her pictures don't convey how nice she is though!)

The Story:

On arrival at the hotel, Linzi texted me details of her room number and was ready to discretely open the door to me as I approached. Wearing a body hugging black dress that revealed her curves she looked gorgeous. A little bit of chit chat put me at ease as I was a bit nervous having not met her before but she is so easy going and friendly that I need not have worried.

Our time together started with a lot of lovely, passionate DFK as we groped and slowly undressed each other. She was great fun to be with and very sexy. A highlight of our meeting was the best blow job I have ever experienced. It was wet, sloppy and extremely sensual. All mouth, no hands. Once Linzi got going on me there was no way I was able to hold back - I came much too quickly but I could not hold back. Absolutely fantastic !

My meeting was only an hour long, I wish it could have been longer. At all times Linzi was a lot of fun to be with and put me at ease. I look forward very much to seeing her again.
