The Premises:

Banstead is a small upmarket town just over the Surrey border from London. It's about as safe as it gets. Parking was easy to find and free just round the corner from Charlotte's flat, which is just off the high street.

The flat is easy to find clean, comfortable and well maintained. Charlotte is having some work done on it at the moment but the bedroom was nice and the bathroom very good. Nice clean sheets on the bed.

The Lady:

If I were a gentleman I would say that the first thing I noticed about Charlotte were her beautiful blue eyes, full red lips and cascade of long black hair. But I'm not. To tell the truth I was so struck by the sight of those amazing boobs straining at the tight white blouse of her secretary outfit that it was a while before I looked up.

Charlotte is pretty much as advertised and as you can see in the photos on her website: about 5'5, 32D, quite athletic build with long legs (that look great in black stockings). She has one large tattoo on her thigh and a number of other small ones.

The Story:

This was my first visit to Charlotte. I thought her prices were a bit high and tried to get a discount but she wasn't having any of it. Fair enough.

On arrival she welcomed me at the door wearing the secretary outfit I'd requested. She was friendly and vivacious. Quite at ease and able to make me so as well. We talked briefly about whether I had any special requests (spoiler: not really), then began to kiss. I can't honestly recall who took the initiative there, but Charlotte is passionate and responsive and we swiftly moved on to the bed.

Clothes came off. There was more kissing, licking of nipples and so on. She then suggested going

down on me and I was happy to accept the offer! Charlotte gives a great blow job - taking it quite deep and obviously enjoying doing so. I eventually stopped her to avoid coming and returned the favour. Charlotte is very responsive.

Then it was on with the condom and some excellent mish position sex. Charlotte can really get those long legs right up and back - a legacy she tells me of her gymnastics days.

After a bit of a rest there was a second round, but not being as young as I once was I didn't quite make it to the finish line :(. However, I did make use of Charlotte's facilities to clean and tidy up before I left.

I found her a genuine, lovely, fun girl with a sense of humour and a love of life. Definitely recommended and worth the price.
