The Lady:

Katy is a stunner, much better than her profile pictures. She has an amazing body, you can tell she keeps fit. Really sexy and a pretty face.

The Story:

Katy will do a GFE and also will be dominant. She is very open minded and has a wide array of toys. Definite eye opening experience for me as I am new to it. She was great throughout. I would say almost whatever you are in to she will do and do it very well. Anything from light fun to pretty heavy. I stayed at medium end but would trust her to up the ante. She enjoys the dominant side. This combines with being a fun and attractive personality.

First round - me blindfolded. Her hands all over me. Stroking my balls and gripping my dick. Moved on from there. Gradual build up to full sex. Great BBBJ - taking me deep and licking my shaft and balls. Then she rode me hard until I came. Then a pause and a nice chat. Katy is interesting to talk with, she really wants to make sure you have a great time. Lying close to me - jerking my cock that was hardening again. Time for round 2 and she well up for it. - energetic sex with me more in charge this time. - she liked eye contact while I was fucking her and her pussy was very wet and tight. Slightly more GFE end of things. Although she cannot help being a bit bad. Me neither with her encouraging me! I came hard on her body. Then further chat - no undue clock watching and very relaxed and easy. Good shower in her very neat bathroom and I was on my way.

If you like a sexy girl, with a bad imagination to push your boundaries with - do not hesitate to see Katy. I would also definitely see her for more straightforward sex.
