The Premises:

Discrete flat 5 minutes' walk from Bond Street underground. A rather annoying door entry buzzer system. I waited for some other chap to let me in. Britney couldn't come up, as she had practical no clothes on and wasn't able to come out. Otherwise, a place fit for purpose.

The Lady:

A rather statuesque figure is Britney. It isn't unfair to say that she's probably a bit more voluptuous than your average WG, but that does not distract from her assets. Naturally busty, which is always a bonus. Initially wearing a rather stringy costume, but that didn't stay on for long. Wearing heels, she towered over me, being a natural 6FT herself. So, the heels had to come off too rather promptly!

The Story:

This booking went very well. Communication channels were prompt and location and directions aptly given. 5 minutes' walk from Bond Street underground. I arrived on time, but took a few minutes to actually get into the place. Not straight forward at the front door. Had to call Britney and then was let in by another chap. The apartment is not large, but sufficient for all requirements. Upon arrival, water was offered and washing facilities, which were gratefully accepted. Shower took a few minutes to warm up, but a fresh towel and the place was clean, warm and the bed didn't squeak. All services, as advertised and agreed upon were cheerfully given. This included RO, OWO and sex in a couple of positions.

Afterwards, Britney chattered about her experiences and viewpoints, which was rather refreshing. Since her English is slightly stilted, it was perhaps more enjoyable for her and easier for her to express herself, as we communicated most of the booking in German, of which, she has a very good grasp.

Left contented, only to fight through the crowds on the stupidly hectic Oxford Street.

Britney is a very bubbly lady. She talked very animatedly about her life and viewpoints. A truly honest lady, who knows her likes and dislikes, but was professional and polite at all times.
