### The Premises:

Her place is in a nice area in Bayswater, with parking easy to find or maybe it was just because it was late. Place was not that big, but clean and sufficient for what is meant for.

### The Lady:

Allegra is one of the smartest girls in this business that I met. She was really genuine, fun and was easy to converse with. Her pictures are pretty much what you get. She is a beautiful girl and has a great body. Probably in her late twenties. Her GFE delivery was amazing, I really could not wish for more.

### The Story:

This girl was recommended to me by a friend and from the moment I met here it was clear why. She is not only beautiful, but also a sophisticated young lady that you wouldn't mind to actually date. Our conversation was fun from the beginning. I was offered a drink and her warm personality put me at ease straight away. There was lots of tongue kissing and touching throughout the whole session, which I loved. Allegra is a great kisser. Her OWO is out of this world with lots of eye contact. We continued in multiple positions, on and off the bed and she moves amazingly in all of them. No A-level unfortunately, but didn't really matter. Amazing experience and will definitely be back for some more sweet time with this young lady.
