The Premises:

Fabulous premises, equipped to a very high standard with private showers in each of the rooms. Central location with nearby parking.

The Lady:

Katherine's pictures are very discreet on the website (as is the case for all The Escape's masseuses). She greeted me in her tunic and looked even more stunning than her photos. She is tall, with a superb figure and great conversation throughout.

The Story:

I opted for an hour-long Swedish massage, which is one of Katherine's qualifications, and I was very impressed by her skills throughout. I also went for the body-to-body option and I was even more stunned by her beauty and professionalism. I had a very, very happy experience (I knew from making the booking, no other services were on offer, which worked well for me) and Katherine was delightful and attentive throughout my time with her. Will I return? Absolutely! The Escape is a real find for me; upmarket and classy.
