The Premises:

as previously described

The Lady:

Tall brunette, reportedly and in appearance conceivably Eastern European of the Slavic variety, early 20s, slim-medium build, small - medium sized breasts, girl next door in appearance, gentle and kind demeanour.

The Story:

In short, I had a lovely time with a lovely lady.

It says on Portia's profile that she is brand new to the industry and I was aware that she had only done a small number of shifts prior to my visit. Her inexperience was apparent in her shyness which made a pleasant contrast to brashness displayed by some of the more established ladies at this establishment. Nonetheless she displayed a determination to ensure that I enjoyed myself and she succeeded by providing an excellent gfe with plenty of dfk and top quality owo.
