The Premises:

Jenny's flat is like many above a parade of shops and easily accessed. Once inside the flat it is clean and tidy, then onto the bathroom and bedroom which are clean with fresh towels available for freshening up.

The Lady:

Jenny describes herself as 5ft 2in and a size 6-8 with a 32A bust, I am not going to argue with that but I will add that she is a real stunner, a pocket rocket really springs to mind. I think most guys would agree she is so petite, very friendly and so welcoming.

The Story:

I have been on here as a member for some time without ever posting any reports until now. I have always just read the reports as a guide of who to visit, though I do find most of the reports on here seem to be of a high standard. I do not have the pleasure of being able to visit these ladies on any regular basis, so as I had to go to Luton Airport recently I thought I would see what delights were to be had there.

I must have had a lot of average punts over the years as I have never felt the need to do a review on a lady in the past. If Jenny was someone I met in a bar as a single man my friends would be fed up listening to me, however as escort meetings are not really a topic of conversation at work, with friends or with family this is my chance to talk openly and tell everyone how special she makes me feel.

As the day got nearer I had been doing my homework on which girl I would visit in the Luton area, I had my list down to 3 and they all had no feedback so this was going to be a tough call. I looked before leaving and one of the other girls had added her number and was showing available, a quick call and no reply, sent a text just in case. Jenny had 3 positive feedback at the time and they were all months old, I decided to promote her to the number 1 slot, best decision I have made on any punt. I tried again near Luton and got a reply, I could see her at 11.00, Jenny sent the address by text and I was on my way. All further communication was carried out with ease.

I am not to happy to disclose the in depth intimate goings on of any meeting without first agreeing to disclose the finer details with Jenny, so we will just keep it simple. I am very much a lover of a basic

service rather than anything more specialised. I will say Jenny is a very loving young lady with such a fantastic little body that is a pleasure to run my hands up and down, kissing every inch of her delicious body. Making love with Jenny was such a pleasure, she taste's divine and making love in cowgirl is just the most amazing time I have had during any punt. I will say Jenny is the most petite lady I have ever had the pleasure of making love with, I normally go for ladies a little bit larger than Jenny but I am now hooked on her.

I will return to Luton to see her again and again, this on is special for me.
