The Story:

Horny as usual so I called up a familiar agency after being abroad for a while. I didn't have a girl in mind this time so asked the receptionist on the phone who was recommended while online looking at their pictures. She told me a new Brazilian girl crystal was a good choice. I saw her pictures and while she isn't my usual type, I thought I'd give it a go because she is cheap. And last time I banged a Brazilian I had an adventure, so obviously I went for it again. Crystal is a pint-sized babe and a sexy Latina bombshell with big tits. She was a bit late to get to mine but made up for it all by being an animal in the bedroom. Cracking pair of tits, solid blow job technique and lets you CIM with swallow for no extra charge – what more could you want? Like ive said before, Brazilians are the way forward ;) treat yourself.
