The Lady:

Better than the pictures and very young. Soft sensual and passionate in short.

The Story:

Before even the papers are out of the way, had a little intro snog. You know that is the going to be good from there on and it was amazing!

Soft sensual kisses lead to DFK, Oral and Reverse Oral. Various positions with the hood on.

Over a period of time, she could easily add up to the Gems of Annabells. Would love to visit and spend time with her as much as possible
