The Premises:

House of Divine 2 at Victoria, London SW1V. This is a basement flat on a busy road in west London. The flat is clean, tidy, and the furnishings are modern and in a good state of repair. The area felt safe as did the flat.

As my visit was on a Sunday, parking in the local area was free. Resident's parking restrictions (and charges for non-residents) apply Monday to Friday, 8.30 am to 6.30 pm. The flat lies just outside London's congestion charging zone and therefore just outside the soon to be introduced, 24/7, T-Charge zone.

The flat is about half-a-mile from Victoria underground station, so a ten minute walk.

The Lady:

Laura is an attractive, well-built, brunette with a 36D bust. She's white and British. Her profile says she's 5' 6" which, with a three inch heel, puts her at my height and this is about right. When we met she was wearing black lingerie and holdups with a black dress over. Her hair was tied back in a ponytail. Her profile describes her as 26-years-old and dress size 12.

There are unblurred photographs of her on the HoD website and it's undoubtedly her in them. Allowing for the fact that she was wearing her hair in a ponytail, she looked like her images. HoD maintain a number of Twitter feeds and images (almost certainly taken on the day) are posted on them. The images taken of Laura on the day I met her showed her dressed exactly as she was when I saw her.

The Story:

I arrived a minute or so before time and was admitted by the maid who showed me to the rear bedroom. Getting there meant walking though the kitchen area where all the girls were sitting. The maid brought me a drink and I was joined a few minutes later by Laura who looks—allowing for a different hairstyle—exactly like her images.

After a lingering kiss, Laura confirmed that I wanted an hour and, after I'd settled up, we resumed the kiss. Laura unfastened my shirt and trousers, while I managed to unclip her bra. (That was a bit of an achievement for me—I'm ordinarily very hamfisted with bra clasps.) Laura had managed to slip her dress off and knickers down (and off) herself. The dress was one the wearer steps into. She took a few moments to establish what I liked and told me that she enjoys sucking cock and fucking. She's quite content to talk dirty which is a huge turn on for me. We then repaired to the bed for a couple of bouts of OWO (with eye contact), interspersed with kissing, before she rubbered me up and straddled me. She makes a quite magnificent sight when she's riding you cowgirl! I didn't last long...

Afterwards, we spent a few minutes talking then prepared for round two with more kisses and OWO. Finally, and at my suggestion, we finished with intercourse to completion in the missionary position.

Laura is an experienced, very pretty, chatty and friendly girl, who did exactly what was asked of her, and did it well. I enjoyed the visit and Laura's company and would be delighted to see her again. Laura is highly recommended.
