The Premises:

Safe place on main road next to Mcdonalds, flat was a bit of a tip, , cheap furniture, untidy and not maintained.

The Lady:

Completely unlike the pictures, extensively air brushed or not the same lady, although not unreasonable to look at. Shares flat with Petra (AW id 4355165) and Fatima (AW Id 4105073). Included other girls as a warning, Do not go to this flat, I should have walked but did not, case of brain in the wrong place.

The Story:

I had initially booked for an hour, changed to half an hour when I saw her, see above. Soon as she took the money she disappeared for a shower, came back just as a row started outside, Petra and a customer. Nick went out to do whatever, it went quiet again. Started blow job, covered, despite profile description, rushed and then trying to wank me off, moved on to sex, big dollop of lube on the condom, rushed sex during which time the row outside erupted again! Nicky rushed off again, all 3 girls shouting, punter just trying to get way, remote boss on phone, I asked for money back. Spoke to remote boss, got £10 back and left.

A dreadful experience a WG not interested, a punter not getting what he paid for, screaming and shouting, rubbish experience, including me not getting what I paid for, DO NOT VISIT THIS ESTABLISHMENT!!!!
