### The Story:

Claire is better known for her parlour work but now she is able to offer incalls at a very nice apartment just off the motorway (M6) near Wigan  
very easy to find and very discreet  
so arrived this afternoon after swapping a few messages and quickly buzzed in  
had a nice chat with Claire sat in a very nice bra and knickers before she raised the tempo with some DFK and soon had me naked and went straight into OWO which was great and deep  
i managed to place my hand inside her knickers and inserted my fingers into her pussy - i asked if that was ok with her and she said that fingers were allowed everywhere !!  
so i inserted a finger into her bum and she purred  
the OWO continued whilst she stripped off completely before she applied a condom and pushed me onto my back  
she was straddling me and i was looking up at the ceiling - she seemed to be taking ages to put it in her pussy so i looked at her - she must have read the confused look on my face because she said not to panic as she fancied a real good arse fuck !!!!! - so thats where she was putting it :o  
after about 5 mins of her bouncing up and down with my cock up her bum she suggested doggy style  
this is where it gets really interesting  
i fucked her arse for 25 mins in doggy style - seriously - there was a clock on the wall !!  
slow fast deep shallow everything  
at times she pulled her butt cheeks apart so as she put it i could get a good view of my cock balls deep up her arse  
she played with her pussy and purred and encouraged me to take as long as i wanted up there eventually at my request not Claire's i had to stop but Claire wasn't finished  
she bent over and insisted i look at her arsehole and stick 2 fingers up it whilst she removed the condom and continued with OWO with completion into her mouth  
absolutely knackered we cuddled for a while, chatted and Claire slowly wanked me gently before

bending forward and licking up the last remnants of cum with a final tickle of the end with her tongue  
a great punt and i wish her luck with her independent work as she is able to give so much more  
than when in the parlours
