### The Premises:

A terraced house near Plumstead High Street. It was very sparse and makeshift inside.

### The Lady:

A petite, brown skinned Romanian girl with ample sized firm breasts and a small and tight little bum. She was cute and pretty and maybe age wise late teens.

### The Story:

My first punt for a while after an illness. I didn't want anything too energetic so I opted to receive a slow hand job to make the most of Roxanne's fit body. Her English wasn't too good, but I didn't want to complicate matters. She was very friendly and enjoyed my compliments about her body. After a few minutes of stroking me I stood and thrust between her breasts before blasting a big load all over them.
