The Premises:

Flat on New Cavendish Street, easy to get to and in a fairly safe part of London. The room itself was clean and fit for purpose, and whilst there was an issue with turning the shower off, it was continuously running, with hot water working. and was available for use both before and after the session

The Lady:

Fairly attractive, Polish lady, site says aged 28 (may possibly be a little older) but looks are reasonably attractive. Height is approx. 5'7" Blonde Hair, and a Busty woman (site states 34DD, but probably a bit bigger than a 34 I would say!!), no reason to disagree. Was dressed in a black dress. I would say looks a bit bigger than the pics, possibly a size 12. Not disproportionate considering she is busty, and the fact that there is no face pics, and the blonderness of her hair, could easily be someone else. But could not say for sure.

The Story:

Very good comms, Sophie provided quick responses to messages, and the location was sent via SMS. Managed to find the place fairly easily, and once pleasantries and money was exchanged was offered a shower which I wanted, and a drink (which I declined). Once I returned to the room, Waited for Sophie to return to the room, she was unsure when I had finished in the shower and there took a few minutes to return.

She apologised and quickly slipped out of the black dress, to reveal her ample breasts (No Bra), and proceeded to French Kiss and happily allow her breasts to be given some attention too. She then moved onto the bed where Oral was offered either With or Without. And proceeded to give a decent BJ without. After a few minutes of that, she lay down and was writhing as I provided or RO, This continued for a good while, until she slipped on the condom and went on top, before swapping over to missionary to completion. Was pretty hot in there and had worked up a bit of a sweat and Sophie offered a massage. This was very relaxing and back legs shoulders and arms were given a good working. Offered her a massage, and was told she doesn't like massages, as round 2 didn't seem to be forthcoming, was offered another shower. I decided to take it up.. and dried off and changed.

Was told, I would like to be seen again.

When I left noticed that I had probably spent around 45 mins in there, and considering that time had

included 2 showers and a decent massage, felt a little short changed, which is the reason for the neutral.

£100 for an hour seems reasonable, and there are a lot of things apparently on offer, maybe I needed to be a bit more assertive, but with the time booked, there was definitely more that could have been done especially with the time remaining, I was definitely not Wowed, and for that reason, I am probably unlikely to return
