### The Story:

Dreadful - just dreadful.

Leah entered the room and she looked great, after reading her profile (CIM) I was eager to try this out. Her BJ was terrible, she made an excuse that due to split gum no CIM, this felt like a lame excuse and could be due to me being honest with her and saying that I didn't feel this punt was going well. More like awkward aunty than girlfriend experience. She was void of any energy and her oral was sipid at best.

This has got to be my worst punt in 20 years and thats saying something.

Nothing about her would allow me to recommend her in any honesty and whilst she is a polite and friendly girly, I can go in Tesco and get that, its a sexy time one wants and Leah is not a good provider of that type of service.
