The Premises:

Downstairs flat, very close to the train station. Quiet street and feels very safe. Once inside the room is clean with bath and shower facilities available on the exit.

The Lady:

Brazilian, approx. 5'4" tall, aged 30 which seems reasonable. The photo of Mandy is what you will get, she is a very sexy lady, with a curvy figure, bubble butt and big natural breasts (32F seems fair) with responsive nipples. Face is blurred which seems to show her jawline.. but as mentioned before, a very sexy lady.

The Story:

Entered the room, and waited patiently as Mandy entered the room, she speaks good English with a sexy Brazilian accent. As soon as money was exchanged and got undressed, started with some hugging, French kissing and her grinding her body and arse on me which got me hard pretty quickly. Her skin is very smooth, and then breasts are big and soft with very prominent nipples when they are played with.

Moved onto the bed for some lovely oral without and reverse which she seemed to enjoy. And then on with the rubber and onto some missionary. After a few minutes of this, she said I could come over her breasts so the condom came off and was given a handjob before shooting a load into that vast cleavage. Mandy then wiped the lot off with a towel, and was provided with wipes to clean myself off.

Was offered a shower which I took, and was dressed and out within 30 mins. What you see is what you get, no real photoshopping, and the pictures seem to be recent which in all is a thumbs up for HOD.

All in all left with a smile on my face and would definitely return.
