very pretty lady - early thirties - with a fantastic figure complete with very large pert natural breasts

The Story:

Adrian opened the door and seemed a very nice easy going chap
he asked if i would like a drink so i requested some water
no problem he said just go straight into the bedroom Lexi is waiting for us
i went into the bedroom to find lexi lying naked on the bed with a big smile on her face
she was playing with herself with her fingers and inserting a pink vibrator
"just thought i would get warmed up for you boys" she said
i sat on the edge of the bed and watched until adrian returned with my drink
adrian and i sat there chatting about football of all things while lexi continued to play with herself
after a while lexi said " excuse me boys but am i going to see some action from you today or what "
so i dived straight in for some pussy licking and a little bit of anal play on her with my fingers and
tongue
when i came up for air adrian was naked too and lexi was giving him some great OWO
adrian then replaced me while i remove my clothes and lexi took me in her mouth - this girl could
suck cock for england
next up from lexi was a great tit wank - her boobs are ideal for this
then lexi got on all fours for a spit roast - adrian was really banging hard into her and her wonderful
breasts were swaying back and fore
this is great she said
we swapped over and i gave her a good seeing to from behind as well
then lexi climbed on top of adrian and i could get a birdseye view of his cock sliding in and out of
her pussy
- all the time lexi was smiling like the cat who got the cream - that was going to come later of course
!!!
we carried on for ages just swapping around and lexi getting more and more excited - at some point
i was getting OWO but was not sure who was giving it to me - thanks adrian but you are not as

good at it as lexi ha ha

lots of different positions - bit like a game of naked twister lol

adrian was spooning her and Lexi was giving me DFK - the look in her eyes was of sheer pleasure then Lexi took us both in her mouth at the same time - she was gagging a bit but carried on like a trooper

finally adrian said he had come in her pussy - they are a genuine couple so he doesn't use a condom - fair enough

so i went and had a look - it was flooding out of her pussy - so i shoved my condom covered cock up there - what a strange but exciting feeling

finally lexi asked to suck my come covered cock before she removed my condom and took my load down her throat - as a special treat she swallowed it all !!

lexi then joined me in the shower so i could play with her holes a bit more and she even gave me a bit more of a suck whilst we were in there

spent ages just chatting afterwards with lexi still naked

a fantastic punt with a great couple who are really into this scene and are more than happy to share themselves with us lucky guys
