The Premises:

A high quality establishment. Clean, well looked after and good atmospheric lighting. Entrance around the back is very discrete, and car parking is available very close by. You feel safe going here.

The Lady:

Bonnie is an absolute stunner! About 5ft 10, long blonde curly hair, beautiful long legs, sexy lingerie, sultry face with hot eyes and lips, a tight little bottom, slim hips and a wonderful full pair of enhanced breasts. She is 100% porn star material! (She did tell me that she once modelled and I absolutely believe her!).

But as well as being one of the sexiest creatures I've ever laid eyes on, she has a great personality and attitude with it. She's English and that's great because you can have a good chat to her. And she ain't shy! 100% for her looks and studies. I don't think you'll do better!

The Story:

I was introduced to the ladies working, and to be fair, they are all very attractive. I chose Bonnie, and after a trip to the toilet we went upstairs, Bonnie leading the way. What a gorgeous arse and sexy fucking legs I got to view!

In the room we chatted and went through what was on offer. And wow, she offers the lot! I'm gonna need to save up to try everything on her list, believe me! I opted for the standard service, and wasn't disappointed. I stripped, and so did she (she ain't shy!), and then I laid on my front. She used a little oil, and massaged my back, then my butt, and then skilfully reached under me to massage my balls and cock! Fuck I was getting very stiff now! I turned over and she stroked my cock, then slipped a condom on and noisily gave me excellent oral. So good!

After a while I needed to fuck her, so she knelt doggy on the bed, fuck slut heels on, mirror next to the bed, and I stood behind and entered her. Damn that was nice! Grasping her hips, holding her heels, caressing her breasts, fingering her clit, gently rubbing her ass, she let me do it all and made all the right noises!

I then laid back to have her wank me to completion. Massaging my balls, lots of oil, lots of spit on

my cock end. I was in heaven. Then, the naughty little minx worked a finger towards my ass to tease me and popped a finger end into me as I wanked. Unfortunately I was too worked up and couldn't cum, but that was my fault not hers! A nice little kiss on the lips to finish, more chatting, exchange of money and then she sent me on my way with a can of coke.

So, yes, 100% recommended, and yes I'll be back. One of the best!
