The Premises:

Evie's flat is in a smart residential block in a smart part of town. Free on-street parking can be found within a few minutes' walk of Evie's place. Access is through a door entry system. Evie's flat is immaculate, 4 star hotel standard. Clean and comfortable. Refreshments are on offer, so we had a cuppa at "half time".

The Lady:

Evie is a gorgeous, good looking blond. She is tall and slim with a wonderful figure and long legs. She has a warm personality and a direct manner. Friendly and fun, she is very easy to get on with and has a bubbly sense of humour. A great companion to have fun with.

The Story:

I have met Evie before so I know what a gorgeous, fun and voluptuous woman she is. She has sometimes mentioned her girlfriend Suzi so I gave into temptation and booked to see them for a two-girl session. I love lingerie so I asked Evie if she and Suzi would do a role play. They'd be two posh girls shopping for lingerie and I'd be the hapless shop assistant struggling to satisfy their whims and fancies. What I hadn't bargained for was how far they would take things and how much fun we'd all have. Let's just say, we all had a ball.

When I arrived at Evie's lovely flat, I was met at the door by Evie wearing a smart dress, a coat and high heels. Instead of the usual deep kiss and hug, she offered her hand which I shook and then she ushered me into the bedroom. There stood the beautiful Suzi, dressed in a similar outfit to Evie's. Suzi introduced herself and shook my hand.

This all seemed very formal to me and then Evie said, "Julian, we have come here today for a private fitting for new underwear. We expect perfection in style and fit. If you are unable to fulfil our requirements, there will be penalties. Do you understand, Julian?" I swallowed hard and muttered, "Yes, Evie." She looked sternly. "Today, you must call me Madam Evie, and address my friend as Mistress Suzi." As I nodded dumbly, Evie waved a spanking paddle under my nose. "Just remember who's in charge, Julian."

"We need new bras", declared Evie. "You'll have to measure us." I helped the ladies out of their

coats and dresses. I then removed their bras. As I was busy helping them, they were helping themselves to my cock. Whilst I was removing Suzi's bra, Evie was crouching beside me, unzipping my flies and taking my hard member into her mouth. Suzi turned around to face me and asked, "What size do you think these are?", as she grasped my wrists and placed my hands over her boobs. As I fondled them Evie was sucking strongly on my knob and I could feel the head of my cock reaching the back of her throat. Suzi grasped my face and pushed me down. "Suck my nipples", she instructed. I was in no position to refuse.

Then Evie said, "Where are those bras we asked for, Julian?". I broke away from Suzi and looked amongst the selection of underwear laid out on the bed for two bras which I thought would fit my customers. I handed them to each lady and they put them on. They faced one another, adjusting each other's bra and then in the next moment they embraced and started to kiss each other passionately. Evie pushed Suzi backwards onto the bed on top of the bras, suspenders belts and knickers laid out on the bed. Whilst they were entwined in each other, Evie turned to me and said, "Our knickers will need replacing." "Yes, Madam Evie," I said and I removed first her panties and then Suzi's, noticing how wet the crutch of each pair was.

Unable to resist the temptation, I raised Evie's knickers to my nose to savour the heavenly aroma I knew would greet me. "That was a big mistake, Julian," declared Madam Evie as she arose. "Bend over and put your hands on the bed." Mistress Suzi grasped my wrists as she knelt in front of me. I felt the first thwack of the paddle across my buttocks which were now bare after Madam Evie had pulled my trousers down. "You're getting ten of the best you impudent man," declared Madam Evie. The sting of each stroke was alleviated as Madam stroked my bum, occasionally running her hand over my balls and pulling on my cock.

As I gazed into Suzi's eyes I could see her licking her lips and glancing at my erect cock. The next thing I knew, Madam was pushing me forwards and Suzi was rolling backwards. I ended up between Suzi's legs, in her arms as she gave me a very wonderfully wet French kiss. Meanwhile, Madam Evie was busy putting a condom on me and guiding my cock into Suzi's sopping pussy. At the same time I could feel Madam Evie was sucking and licking on my ball sack, her hands continuing to run over my buttocks and my inner thighs. Mistress Suzi and I kissed passionately and deeply as both my tongue and my cock enjoyed her wetness.

Sensing that I was about to cum, Mistress Suzi instructed me, "Cum on my boobs, Julian." I withdrew from her, she removed her bra and Madam Evie removed the condom. I knelt over Mistress Suzi as she and Madam Evie jerked at my rigid cock until my cum splashed over Mistress Suzi's tits. Both ladies then massaging my seed into Suzi's tittie skin with obvious relish.

The next thing I heard was Madam Evie saying, "This place is a mess, you need to do some tidying up if you want to avoid another spanking." This reminded me how much my arse was still stinging after the distraction of my huge orgasm. As I busied myself picking up discarded garments the ladies lay back on the bed, embraced and kissed again and again, contented smiles on their faces as they gazed into each other's eyes. These two certainly seem to be proper girlfriends.

I looked at my watch and saw that my hour was nearly up. I dressed myself properly again. The ladies looked up from their repose. "Time I was off," I said. "You can kiss us goodbye" said Evie, a more tender tone in her voice at last. She stood up, embraced me and we kissed in the manner I have come to expect from her; hot, wet and full on. Suzi also rose from the bed to give me a cuddle and a passionate kiss of farewell. Evie showed me out and as I walked out of the front door a feeling of contentment spread through me. I'd had a great time with two hot and horny women who had been great fun to spend an hour with acting out one of my favourite fantasies.
