### The Premises:

House with a number of bedrooms in Fenny Stratford. Perfectly adequate, big bed (but a bit squeaky) on top floor.

### The Lady:

Blonde, petite and slim with big boobs compared to her size. Dressed in a one piece lingerie set and high heels, very smily and happy.

### The Story:

Very enjoyable. She came into the bedroom carrying a glass of water I had asked for, she greeted me with a big kiss and a bit smile. We completed the paperwork and she immediately removed her clothes, so I did the same. I joined her on the bed for some kissing and cuddling, happy to kiss but just light FK.

After a while I began sucking her nipples which are clearly sensitive and she appeared to enjoy this a lot, after a while I moved further down and she enjoyed that as well, when she was very wet, she asked me to suck her nipples again which I did and she brought herself to a climax, after which she said "now your turn".

Started with an HJ, then condom on and some oral, done in a position where she could look me straight in the eye, this was nice. She then mounted me in cowgirl but after 5 minutes I needed help to get hard again, in the end I finished with a covered BJ and HJ.

Cherry was lovely and smiley throughout and I would definitely come back again.

On the way back downstairs I passed a very slim petite blonde on the stairs who I would very much like to meet with properly.
