### The Premises:

Great place, clean, comfortable with a nice atmosphere. Plenty of free parking in the vicinity.

### The Lady:

Beautiful petite busty blonde with the softest of porcelain skin, lovely eyes and a bum that just begs to be stroked.

### The Story:

Have seen Poppy several times and it just gets better and better. Freshly showered and on couch as Poppy breezed into the room and disrobed completely leaving her naked and so sexy. Good massage to back and thighs taking the opportunity to reach between my legs and stroke my cock, balls and bum on several occasions. Oiled my back up and climbed on to rub those magnificent breasts all over me. Moved to the head of the couch with that lovely pussy just inches from my head as she leaned over me and rubbed them into me as I reached out and caressed that perfect bum. Body to body on front now with poppy sliding all over me with at one stage a nipple in my mouth, heaven. Increasingly more and more attention paid to cock as Poppy knelt on the couch and with plenty of eye contact worked her magic on me until a very happy ending was achieved.
