The Premises:

A private flat in a block not far from Blackheath railway station. It was really lovely walking there in the Autumn sunshine.

The Lady:

A very friendly black lady with very ample natural breasts and lovely brown nipples.

The Story:

I'm still getting over an illness and I thought a nice slow hand job with a busty black girl would be a tonic. It was! Sarah was really understanding and she didn't rush me. It was wonderful feeling her soft, natural breasts while she slowly masturbated me. My orgasm was really intense and it relaxed me very much.
