The Lady:

Poppy is polite & welcoming, she is very pretty with blond hair, amazing eyes & a stunning body. Poppy is Polish her accent is very sexy, her skin is smooth, soft, firm and she has amazing hands.

The Story:

I had a 60 minute body to body massage by Poppy which can only be described as one of the best experiences I've ever had. The massage was firm & as she pushed her fingers deep into my muscles the feeling was amazing and then with her smooth firm body pressed hard against mine it was sensational. Then came the light gentle stroking of her nails which sent shudders of excitement through me as she gently tantalised & teased my whole body. I then turned over on to my back & after making sure it was ok to do so I caressed Poppy's gorgeous body as she continued to massage me until with her magical hands gave me a really really intense orgasm.

I will definitely be returning soon.
