The Premises:

Serenity flat was easy to find, there nice atmosphere with candles and music. Nice powerful shower.

The Lady:

I guess Serenity must be on hers middle 30s but she don't reveal her age. She is a curvy, full-figured, curvaceous lady, with fantastic natural big boobs.

The Story:

I had tried to see Serenity a few times without and success, now that I have finally seen her I can understand why. I knew before hand that she provided all the services that I look for, but I wasn't prepared for them to be delivered in the fantastic way in which they were.

I arrived promptly on time and she greeted me wearing a warm smile, sexy black underwear, high heels and little else. We French kissed with a passion and fondled each other, I had quick and easy access to her pussy as she was only wearing a g-string.

She asks me to have a shower what I complain when I came out with stnker of a hard on in anticipation of events about to come. I went into the bedroom to find her lying on her back playing with a dildo in her cunt, she was moaning heavily and her back was arched with her head back, my cock grew a little bit stiffer.

I joined her on the bed and we were at it straight away, I pleased her by licking her all over gently and not just going down on her straight away, her pussy tasted lovely and because I spent a lot of time there I made her cum, boy did she squeal with pleasure!

She gave me a fantastic BBBJ, she deep throat me with lots of eye contact. As she did this she put a finger into my arse - what great feeling that was!

She then got out the rubber from a draw and put it on with her mouth. She then climbed on top facing away from me and varied the pace so I didn't cum too quickly.

We then fucked in just about every position before I mounted her from behind and shot my load. After that we kissed and cuddled for a while before she got me hard again, this time I decided to finish wanking over her tits while she fingered her cunt.

Had a shower, kissed passionately again and left - very reluctantly.

What a fantastic lady! I definitively will be back , and I high recommend her as she is GVFM.
