The Premises:

Cosy apartment in busy area. Clean and smelt good too.

The Lady:

Pictures are accurate. She is petite and attractive. Nice smile.

The Story:

She gave me a light kiss on the lips when I walked in and asked me to follow her to her bedroom. We got the money out of the way and we went to the bathroom. We had a shared shower. She puts the effort in and wants to make sure you are happy. I was painfully hard when we left the shower!

Her kissing could be better, but her oral skills were great. Good motion and I soon climaxed. CIM no problem with her.

I was just looking for oral, but I might be back to see what her bedroom sex skills are like.
