The Premises:

Clean modern apartment. Short walk from underground. Loved the shower.

The Lady:

English escort. A first for me. Slim and pretty much like the photos on the site. As other reviews mentioned, amazing arse and legs.

The Story:

I had never seen an English escort. So I did my research and came up with Anastasia. She has the slim figure I was looking for.

Anastasia is pretty with my type of body. She comes across as very classy and demure. But in just an hour, I found out how dirty she can be.

She is a good kisser, gives a mean blowjob, with CIM finish. And she has no problem in sticking that lovely tongue up my arse and giving it a good rimming.

Sex was hot and I loved the doggy. She offer lots of vocal encouragement as i pounded her.

And to top it off she comes across as a very nice and interesting person.

I think I need to start seeing more English girls. If I can afford it, a 3some with Anastasia could be on the cards.
