The Premises:

Around 5 to 10 min walk from Marylebone station. Building is not numbered so can easily be missed. Once inside allow another 5 minutes to locate the apartment as the internal layout is full of sprawling branches with no logical numbering ascension.

However once located her flat is reasonably pleasant with good washing facilities. More mirrors would have been a bonus but on the whole nice enough.

The Lady:

Dia has an exotic look about her, i'm not sure of her origins but definitely an attractive lady with a great body. To get a better indication of her appearance see her twitter pics. She arrived at the door wearing a lacy backless dress and high stiletto heels. She had my full attention for sure.

The Story:

Dia has some raunchy photos on her website which had me seriously turned on, so seeing her in the flesh bending over the bath in her short dress to show how the shower worked had me ready to explode.

After washing she told me to lie on the bed while she did a slow striptease. Just seeing her posing around first in her tiny thong and then nothing had me almost over the edge. Eventually she sauntered over to the bed, whipped off my towel and sucked my now seriously throbbing cock hard and deep. Cue nirvana.

I could barely breathe as she applied the condom with her mouth. Straddling me she lowered herself onto my cock and started to slowly grind. 5 seconds was all i could manage - cue earth shattering energy release enough to shift out of gravitational orbit. Elation, exultation, jubilation and me totally drained in seconds. Shame really as beforehand i was looking forward to the whole tanzanian devil fucking-in-multiple-positions scenarios. Next time hopefully.

Anyway, frolics aside, Dia is an intelligent worldly wise lady with a sexy sense of style and refinement. Fully recommended.
