The Story:

This was a great visit.

If you like waif-like 20 year olds, Cassie won't be for you, but that's fine as she'll be left to the rest of us. She is a local lady, very friendly and very sexy.

Started lying on my front massage with lotion (oil and talc also offered). Lots of attention to the area between my legs. Turned over and she immediately tried to snog my face off which was great! She fondled my cock and would have sucked OWO but I said I preferred covered. Had to slow her down a couple of times. Lots of kissing and fondling her pussy which became very wet.

Time for sex... she lay back and pulled me inside her - pussy was very tight! She became increasingly vocal as I thrust and shortly came inside her. Continued to stroke her pussy after I'd cum. Either she had a powerful orgasm of her own or is a very good actress. My money is on the former.

I got the impression she has few limits, though my tastes are fairly vanilla so didn't ask for CIM or anal or anything else.

Definitely recommended.
