The Premises:

A very modern third floor flat near to London Wall in the city.

The Lady:

A tall and very attractive Romanian girl with a lovely slim figure. She had a gym fit body, but she told me she doesn't work out. Her breasts were A cup and natural. She had lovely long and shapely legs, long dark brown hair and brown eyes.

The Story:

A Very enjoyable session. Loreнна was wearing black lingere similar to those in her pictures. We lay on the bed together and she stroked me to a full erection. I politely asked her to remove her bra and pants so I could savour her boobs and gorgeous bum. We had protected sex in doggy position and I had to work very hard to climax.
