### The Premises:

Mews lane with easy metered parking nearby. Good shower facilities...probably the only good thing about the meeting.

### The Lady:

Oriental girl brought up in London. Very petite...enhanced tits.

### The Story:

This was without doubt one of the worst meets that I have ever had.

She accepted the full service booking with an hour's notice but when I got there her period had started...would I still like a blow job after the massage.

This woman has more 'dont's' than 'do's' on her list.

kissing is not an option.

She doesn't like her nipples touched at all.

The massage was an ineffective rub.

The blow job was short and would really better be described as a brutal two handed wank so that she didn't have to take it deep throat.

Absolute crap!
