The Premises:

Apartment. Safe and quiet on a Sunday. Standard Annabellas flat, clean, neat, tidy, shower facilities. Double bed, sofa and long mirror in the room.

The Lady:

Physically, as per her photos, apart from the smile, which lit up the room as soon as she walked in. So please that I got to meet Dahlia at last. She is gorgeous, Great curves, pretty face and awesome personality, with a dry sense of humour.

The Story:

Dahlia entered the room, smiled, and gave me a nice welcoming kiss. Intuitively, I felt I was in for a great session and Dahlia did not disappoint. I Enjoyed some DFK as we got to know each other's bodies and gradually stripped each other. On to the bed for some deep OWO and ball licking. Then it was my turn to pleasure Dahlia with my tongue. I approached from behind and licked Dahlia's pussy and bum, until she came over my tongue. Then I enjoyed playing with her ample breasts from behind as I rubbed my cock against her peach of an arse. More DFK and mutual fondling. Next some face sitting as I locked my mouth around Dahlia's engorged pussy lips and sucked until Dahlia dripped her cum in to my mouth again.. Then Dahlia applied the protection expertly, squatted over me and lowered her moist warm pussy on to my rock hard cock and then ground herself vigorously against me. Finally it was mish for a few minutes with DFK before I pumped a sac full of spunk deep inside her. What a great, fun time. Dahlia provides an on-going stream of comments and feedback that I found all added to the enjoyment. A real star, and I am looking forward to the challenge of a threesome with her best friend Coco as soon as I have recovered.
