The Story:

I have seen Coco a few times now so thought it was time I wrote a review. She is a lovely friendly girl and is certainly not a clock watcher. Although her English is not great time with Coco passes easily. Starting with a shower - depending which flat she's in Coco will join you in the shower (at Victoria there is not really room). With both of us getting naked it was onto the bed for a relaxing massage which finished with Coco running her fingernails over my ball and around my ass, which always gets me in the mood. Oral with a condom followed (Coco tells me that she will do OWO for an extra £30) and she's great at taking you deep in her mouth and slurps greedily as she sucks away. Getting nice and hard it was my turn to taste Coco. She is lovely and warm and wet and really gets carried away as her pussy is licked and sucked. I could stay down there all day as she bucks and moans with the work of my tongue. Eventually she could stand no more and begged me to stop and fuck her. Entering her nice tight pussy is wonderful. I took Coco in missionary with her legs over my shoulders and boy can she take a good hard fucking! On to cowgirl and it was fabulous to have her grinding down on my cock until I came inside her and kept jerking until I was completely drained. Afterward we lay together on the bed and kissed before having another shower. I can definitely recommend Coco for a great session at a very good price. I will be returning soon to sample her OWO.
